Information

Days patients are seen at this practice:

7 days a week; M-F 8a-8p, Sat. 8a-6p, Sun 10a-6p

Practice philosophy:

I believe that preventative medicine is of key importance in maintaining healthy patients and a healthy community. I stress the importance of primary prevention of disease states, rather than just treat patients who already have medical problems. I have a special interest in the healthcare of adolescents and young adults. This is a population which often does not seek medical attention until they are acutely ill, and a significant amount of both acute and chronic illnesses could be prevented with timely routine healthcare.
