## Information

### Days patients are seen at this practice:

Mon.-Sat.

### Practice philosophy:

I believe that each patient deserves my undivided attention and time; as a result, I am careful to plan my schedule so I can attend to the needs of my patients, getting to know them personally, seeing them as more than just case numbers or diagnoses. In this way, I build a relationship with them that allows me to not only diagnose illnesses, but to also provide preventative care and education regarding whatever health problem(s) they may already have.
