Practice philosophy:

Compassion, caring, and competence characterized my civilian family medicine experience as a private practice owner and staff member of Cape Fear Valley Health System. Those same foundational cornerstones serve as my core convictions as I serve active duty service members, DOD civilians, and service member beneficiaries at the clinics of Womack Army Medical Center of Fort Bragg. During the time of my civilian practice (1994-2004), my office provided typical family medicine care services to children, adolescents, adults, and seniors. As a member of WAMC clinical staff, my clinical specialty is in Preventive Medicine and Vaccinology.
