Information

Days patients are seen at this practice:

Practice philosophy:

My practice philosophy is based on the sanctity of human life with the knowledge that we are fearfully and wonderfully made by God, who has created us for His glory and our fulfillment. I am Board Certified by the American Board of Physician Specialties in Family Practice and treat my patients as whole people with both physical and spiritual problems. I treat my patients in the context of their life circumstances and encourage behavioral modification to improve the quality of life.
