LeBauer HealthCare has been a highly respected member of the Triad medical community for more than 75 years. Our pulmonary medicine practice offers a full range of services related to the treatment of lungs and breathing-related disorders. Here you will find expert physicians and highly trained staff employing the latest technology and procedures in the delivery of world class, compassionate care. LeBauer Pulmonary is the first and only pulmonary medicine practice in the state of North Carolina to offer its patients 24/7 physician monitoring of the Intensive Care Unit via the VISICU Medical Tracking System. This state-of-the-art technology provides the monitoring physician with complete medical information on all patients in the ICU in real time, ensuring early detection of emerging conditions, extremely rapid response, more accurate treatment, and reduced length of hospital stay.
