Information

Days patients are seen at this practice:

All weekdays with exception to Thursday

Practice philosophy:

I care for patients from birth through adulthood. The program in which I attended is the only pediatric physician assistant program in the nation, and I enjoy seeing the pediatric patient population. I have a special interest in childhood obesity intervention, as well as care for the asthmatic patient. Preventative care and evidence based medicine are integral to my day to day patient approach to care.
