Practice philosophy:

I grew up in Michigan and have always been involved in athletics since a young age. While developing my interests in science and medicine, combined with a passion for working with my hands, I had the opportunity to pursue a career as a physician assistant in orthopedics. I strive to provide patient centered care to get you back to doing the things you enjoy, whether it is athletics or just every day living. I believe in exhausting conservative management prior to discussing surgical intervention when appropriate. I hope to provide an exceptional experience and look forward to meeting you!
